David Cárdenas Pérez

Colombia (57) 316 491 5056   dcardenaspe@unbosque.edu.co

SKILLS AND ABILITIES

- Skills in programming languages: Java, JavaScript, and Python.
- Ability to identify algorithmic complexity of a function and enhance its performance.
- Proficiency in working with MySQL and SQL Server databases.
- Familiarity with operating systems such as Linux, Unix, and Windows.
- Conception, design, construction, and maintenance of information systems.
- Collaboration within a team using agile methodologies like SCRUM.
- Capability to propose and implement new ideas. Proficiency in problem identification and resolution.

COURSES

- JavaScript Algorithms and Data Structures
- Ingles B1 - Rosetta stone fluency building

PROFESSIONAL PROFILE

System engineering student in the sixth semester, with experience in customer service and technical support. I possess a strong understanding of multiple programming languages such as JAVA, Python, and JavaScript, with excellent team problem-solving skills and the ability to take on new challenges. I also have skills in managing relational databases like SQL and PLSQL, in addition to having knowledge in the application of agile methodologies like SCRUM.

ACADEMIC EXPERIENCE

Development of an information system for Universidad El Bosque - February 2023 - May 2023

Responsibilities: Developed an information system for student information management, in addition to using the SCRUM methodology for its development. This project utilized the Django framework and was deployed on the Heroku hosting system.

EDUCATION

Bachelor's in Systems Engineering
Universidad El Bosque
In Progress

Technical High School Diploma Fundación Educacional Ana Restrepo Del Corral 2016
